ISSUED BY	ISSUED TO
Satwik Kamlakar Udupi *Agricultural Engineer & Water Resource Professional* Specialist: Hydrology, GIS, Hydraulics, CFD Ambika Bhavan, At Post Krishna Canal Vidyanagar, Dist-Karad, Maharashtra +91-9834300849 | satwikudupi@gmail.com	**Shramjivi Janata Sahayyak Mandal (SJSM)** Registered NGO, Satara, Maharashtra Project: Comprehensive GIS & Environmental Atlas Tuljapur & Lohara Talukas, Dist. Dharashiv Maharashtra

PROJECT TITLE

Comprehensive Geospatial Atlas & Thematic GIS Mapping
Physiographic, Hydrogeological, Climatological & Watershed Characterization
Tuljapur & Lohara Talukas, Dist. Dharashiv, Maharashtra · October 2026

1. DESCRIPTION OF SERVICES

This invoice is submitted for professional geospatial analysis, thematic cartography, and technical reporting services rendered for the Dharashiv District GIS & Environmental Atlas covering Tuljapur and Lohara Talukas (Total Area: 2,043.93 km², 177 Cadastral Villages). The scope covers end-to-end multi-spectral satellite processing, 16 standardized thematic GIS layers, 300 DPI high-resolution cartographic maps, dedicated block-level analytical Excel databases, and the complete consulting-grade Word Atlas Report submitted in October 2026.

2. DELIVERABLES

#	Deliverable	Status
1	Comprehensive GIS & Environmental Atlas Consulting Report (11 Chapters, docx) – hydrogeology & watershed characterization	✓ Delivered
2	Tuljapur Block 300 DPI Cartographic Maps (16 standardized themes: DEM, Contours, LULC, Soil, Streams, etc.)	✓ Delivered
3	Lohara Block 300 DPI Cartographic Maps (16 standardized themes with transparent legends & hillshade basemap)	✓ Delivered
4	Master Regional RGNDWM 250k Ground Water Prospects Quadrangle Map & Index Grid	✓ Delivered
5	Tuljapur Block Dedicated Multi-Tab Analytical Excel Database (14 tabs covering all 130 cadastral villages)	✓ Delivered
6	Lohara Block Dedicated Multi-Tab Analytical Excel Database (14 tabs covering all 47 cadastral villages)	✓ Delivered
7	Hydrologically conditioned spatial GeoPackage layers (D8 Strahler stream network, drainage density, 10m contours)	✓ Delivered
8	Final Compiled Deliverables Package (deliverables.zip archive containing all maps, excels, datasets & report)	✓ Delivered

3. COST DESCRIPTION (PROFESSIONAL CHARGES)

Work Component	Description	Amount (INR)
Geospatial Data Processing & Analysis	16 Themes, GEE ingestion, DEM conditioning, stream network	₹1,400
300 DPI Cartographic Atlas Map Production	33 high-res maps: Tuljapur, Lohara & RGNDWM quadrangle	₹1,200
Dedicated Analytical Excel Databases	Tuljapur 130 villages + Lohara 47 villages, 14 tabs each	₹800
Comprehensive Technical Atlas Report	11 Chapters, recharge structure siting matrix	₹700
Review, Packaging & Quality Assurance	deliverables.zip, multi-format client export	₹400
TOTAL PROFESSIONAL CHARGES		₹4,500/-

4. AMOUNT PAYABLE

Total Amount (Rupees): ₹4,500/-
(Four Thousand Five Hundred Indian Rupees Only)

5. PAYMENT TERMS

Payment Schedule
100% on delivery · Work Completed & Delivered

Mode of Payment
NEFT / RTGS / UPI

Bank Details
Account Name: S. K. Udupi
Account Number: 60494349518
IFSC Code: MAHB0000551
Bank Name: Bank of Maharashtra

6. ASSUMPTIONS & TERMS

- Charges cover end-to-end geospatial analysis, 300 DPI map generation, Excel workbooks, and comprehensive Word Atlas report.
- All deliverables have been generated, quality-verified, and successfully delivered to the client.
- Includes Survey of India toposheets, Copernicus GLO-30 DEM, NRSC/ISRO RGNDWM prospects, CHIRPS, and Sentinel-2 processing.
- All processed GIS datasets, cartographic maps, and reports remain the client's (SJSM's) property upon full settlement.
- Confidentiality of all project content and geospatial data will be strictly maintained.
- Invoice valid for 30 days from issue date.

7. ACCEPTANCE

For Service Provider

Name: Satwik Kamlakar Udupi
Designation: Agricultural Engineer & GIS & Hydrology Consultant

Signature: _____

Date: 19/10/2026

Authorised Signatory

For Receiver (SJSM)
